Literature Stockpile/Alt. Stockpile: (Mike R)

Report: Addict called Mike

I found 10 pieces of NA; A Resource in the Community had also been damage a few months back when my coffee spilled. As with the NA White books I'll donate them to H& I.

This won't happen again. Just a reminder to any new or current GSR's by RRAGS Policy orders need to be in by 1:30. This is so that I have the time to do inventory and provide this body the sales and purchase amounts. This allows me to provide literature for all Groups that are on time. It also means I don't have to ask this body to wait for me to finish my sales and restocking amounts. If anyone remembers what it was like for me in the beginning please pass that information on to those that didn't get to experience it. I'm here at 12:00 P.M. sharp at every Area meeting waiting to serve you by RRAGS Policy. Thanks to the Groups who have been emailing their orders in. Please give it a try it's not that difficult. I'm more than willing to show who ever wants to know how to fill out and send their Group order form by e-mail. If you want the new Group order form e-mail me and I'll e-mail you back the order form as an attachment. Remember this is in Microsoft Excel format and if you don't have that let me know and I'll send it in Microsoft word. My email address is mmcrossfork@AOL.com Always bring a hard copy of what your Group ordered incase for some reason I didn't receive your e-mailed copy or lost it. This will also give you a copy to check your order.

Motion: To reimburse Literature Stockpile Keeper \$15.30 for ink cartridge to print needed reports and forms.

I would like to have the GSR's take back to their groups an invitation to any addict willing to learn this position for the future can contact myself or Jimmy M.

The order amount from RRAGS for the order received by WRSO was correct to the penny.

The sales and order amount for this month is as follows. Sold \$591.00 ordered \$565.87
